

NEUROPTIMAL® PERSONAL TABLET BUNDLE

THE POWER OF NEUROPTIMAL®

The NeurOptimal® Personal Trainer offers all the power of NeurOptimal® training in a lighter package. Designed for home use and rentals, the fully automated system allows you to run sessions from anywhere with just a click. The engine driving the NeurOptimal® Personal system is the same as its Professional big brother except with a much simpler interface. No Session views and playbacks are available on this model.

This bundle comes pre-loaded with the latest NeurOptimal® 3 software and 100 Sessions.
