

# NEUROPTIMAL® PERSONAL TABLET BUNDLE

## THE POWER OF NEUROPTIMAL®

NeurOptimal® Personal Trainer offers all the power of NeurOptimal® training in a lighter package. This system ships on a Microsoft Surface Pro 7 (i5 / i7) tablet. Designed for home use, the fully automated NeurOptimal® Personal Trainer system allows you to run sessions from anywhere with just a click. The engine driving NeurOptimal® Personal system is the same as its Professional big brother except with a much simpler interface.

No Session views and playbacks are available on this model.

This bundle comes pre-loaded with the latest NeurOptimal® 3 software and 100 Sessions.
