Purpose: This rental is to provide the borrower with a NeuroOptimal® system that will permit the borrower to provide NeuroOptimal® Sessions to him/herself, family and friends. The renter may share the costs and use of this equipment with another, but the person signing this contract accepts full responsibility for the safety and return of the equipment.

Duration: This loan is for a period of _____. From _____ to _____. However, the lender reserves the right to request return of the equipment at any time. In such an event, the borrower will be refunded the unused number of days. If the borrower wishes to return the equipment prior to completion of the contract there will be no refund for unused time.

Cost: \$ _____ for up to _____ Sessions. No more than two Sessions in a day per user. Fees are due prior to delivery. Acceptable forms of payment are cash, check (made out to _____), bank e-transfer (sent to _____). There is a \$50 fee per day for overdue system returns. Failure to return the equipment within 15 days following the termination of this contract will result in the borrower's credit card being charged \$ _____ USD as payment in full for the system. At this point the borrower becomes a full legal owner of the license and equipment with all privileges thereto. These fees are separate and additional to the contracted rental rates above.

Shipping Pickup/Drop Off. Shipping (if applicable) is via FedEx. Client covers these costs.

Limitations: The borrower may not generate income as a result of providing NeuroOptimal® Sessions with this equipment. Lender guarantees equipment functionality, however we cannot guarantee the types, degrees and order of shifts the borrower and anyone else who uses the system may or may not experience.

Care of Equipment: The equipment listed below is being rented out by the lender and remains the property of _____. The borrower accepts personal responsibility for the care of the equipment at all times. Borrower will log in for technical support at the owner's request if needed to troubleshoot the system. There will be no charge for this service. In the event of damage, theft or loss, the lender must be notified immediately. Compensation for lost, damaged or stolen equipment is the responsibility of the borrower and therefore insurance for the equipment is the purview of the borrower. Value of this system: \$_____ (sensors: \$150USD).

Internet Connection and Windows Updates: Borrower understands that an Internet connection is required for NeurOptimal[®] to run and agrees to regularly perform windows updates while this unit is in their possession.
